Our Services

Insurance Broking is our core business. Insurance brokers differ from insurance agents as brokers can introduce any insurance company to the client

Medical Insurance In the Philippines there a social medical insurance under the PhilHealth program. Though the benefits and limits are limited, employers commonly would want higher limits for their employees.	Life Insurance There is whole life insurance and Term insurance as same as in Japan, and both plan of voluntary and company provide are possible. It's good to provide life insurance program to enhance your company's welfare.
Personal Accident Death and Disablement due to Accident (i.e. Motor Car, Motorcycle, etc) is inevitable in today's environment. Providing utmost coverage and competitive rates is key in providing compensation for the remained family.	Other Non-life Insurance <ul style="list-style-type: none">▪ Fire▪ Engineering (CAR/EAR)▪ Marine (Cargo/Hull)▪ Motor Car▪ Bonds▪ Casualty & Specialty
Pension/Retirement Plan It's good to provide this plan for your senior executive staff to increase their motivation and keep them in your company.	Risk Consultation Minimizing risk will provide the client better understanding on the variables that expose their property to unforeseen accidents or calamities. We can provide the client recommendations to achieve this goal.
